Breathe! Bash is back in-person on **January 26th, 2023!**

This year's event will take place from 6:30pm - 11:30pm at the Roadhouse of Steam Whistle Brewing, 255 Bremner Blvd, Toronto, at the foot of the Rogers

Centre. As we light the CN Tower in our brand colours, Breathe! Bash will highlight our exciting and transformative work featuring inspiring stories from our community of patients and caregivers.

From a seated gala to a virtual celebrity chef event, we are excited to continue evolving the Breathe! Bash to reflect the interests of our attendees and continue to support our mission in improving the lung health of Canadians.

After some time apart, we can finally be together again, in the same room, at the same time, and for the same purpose — to break down breathing barriers.
